You will notice that this is 18th century territory. So
in celebration for that time we are going to dress the
period at the Saturday dinner. You may want to
come early or stay a little later to tour the fort and
museum where we are eating.

So everyone participate; lunch is
free. If you have not signed up
yet, please let me know. About
half have not signed up for the
dinner. You could just send a text
and give me a number. Also make
sure you have your hotel
reservations.

There will be pizza and snacks for lunch on Friday. At this time we have 49 veterans planning to attend the reunion. There are still rooms available so contact your comrades. Less than 2 months to go. YEAH!
